

A Message from the District Governor

My Dear Rotary Club Presidents.

Greetings and DHANYAVAD on assuming leadership of your respective clubs for the Rotary year 2026–27. As we embark on this exciting journey of Gratitude in Action together, I extend my heartfelt appreciation for your willingness to serve and lead. You have accepted not just a position, but a unique opportunity to inspire, empower, and make a meaningful difference in the lives of those we serve. This year, we are united by a common purpose: “Create a Lasting Impact, by Doing good in the world”. Impact is not measured solely by the size of our projects or the funds we raise, but by the lives we touch, the hope we inspire, and the sustainable change we create in our communities. As Presidents, you are the catalysts who will transform vision into action. Your leadership will shape club culture, foster fellowship, strengthen membership, nurture future leaders, and drive projects that leave a meaningful

legacy. I encourage each of you to dream boldly, collaborate actively, and lead with compassion. Let us focus on service initiatives that are innovative, inclusive, measurable, and sustainable. Together, we can amplify our collective efforts and demonstrate the true power of Rotary. Remember, no President walks this journey of Dhanyavad in Action alone. Your district team and I stand beside you, ready to support and partner with you every step of the way. Thank you for your commitment, your passion, and your dedication to Service Above Self. I look forward to visiting your clubs, celebrating your achievements, and working alongside you as we create a lasting impact across District 3192.

Wishing you a rewarding, memorable, and impactful Rotary year.

LET US STRIVE TO ACHIEVE A BORDERLESS WORLD.

Warm regards,

AKS Rtn. Ravishankar Dakoju
District Governor 2026 -27

President's Message

It gives me great pleasure to greet all of you through our first club bulletin of this Rotary year. This bulletin marks the beginning of a new journey filled with service, fellowship, and meaningful impact.

I am deeply grateful for the trust placed in me to serve as 27th President of Rotary Bangalore Udyog.

As we begin this Rotary year, let us embrace our RI president Rtn Olayinka H Babalola's theme – Create Lasting Impact & DG Ravishankar Dakoju's theme of Dhanyavad – in everything we do. These themes remind us to lead with thankfulness, purpose, and a commitment to making a meaningful and lasting difference in the lives of those we serve.

I am also proud to share that our club, founded 26 years ago by our visionary leader Charter President Rtn. Dr. H. B. Rudresh, has now given Rotary Bangalore Udyog its first DGN, Rtn. Renukeshwar Swamy. This is a matter of great pride and honor for all of us. This achievement reflects the strength, spirit, and leadership within our club, and stands as a testament to the strong foundation laid over the years. This year, let us strengthen our commitment to service, fellowship, and teamwork, while working on initiatives that truly matter to the community. Every project we take up, every life we touch, and every effort we make should reflect the Rotary spirit of compassion, responsibility, and purpose. I am confident that with the support of every member, Rotary Bangalore Udyog will continue to grow as a vibrant club that is remembered not just for what it does, but for the lasting impact it creates. Let us move forward together with energy, unity, and a shared vision to serve better and create meaningful change.

With warm regards, Dhanyavad

Yours in Service

Greetings to all Udyogians!!

It gives me immense pleasure and a deep sense of satisfaction as I complete my tenure as President of Rotary Bangalore Udyog for the Rotary year 2025–26.

Looking back, it has been an enriching and memorable journey. While some initiatives achieved the desired results, a few remain unfinished. I do not see them as failures, but as opportunities for the coming years. I remain committed to supporting these initiatives and contributing to the long-term growth and success of Rotary Bangalore Udyog.
